

46th SYMPOSIUM of the association LAW & COMMERCE
Deauville

Friday 25 March afternoon and Saturday 26 March 2022

The law of companies in difficulty from 1985 to ... 2025
A search for better balances

Scientific direction :
Philippe ROUSSEL GALLE
Professor University of Paris

Since 2005, the search has always been the same: that of a balanced treatment between the protection of the debtor and that of his partners, between the desire to safeguard the company and/or the activity and that of putting an end to it, between the general interest and individual interests, between amicable and judicial, with an economic vision... Why this research?

This will be the question posed by the 46th colloquium of the Association Droit et Commerce.
